Attractions / Sightseeing Tours Open or Closed for Christmas 2015

St. Augustine is a wonderful place to visit during the Christmas holidays and we would not want anyone to be disappointed if they went to an attraction or wanted to take a sightseeing tour and they were closed. So we have composed this list of what to do in St. Augustine on Christmas Day. Some attractions or tours may be open only portions of the day, so please take a minute to look at the times that are listed by each one. Most of the attractions and tours will return to their normal business hours the day after Christmas. Have a great Christmas weekend in St. Augustine.
